Editorial changes

The following list shows those rules that have been subject to editorial change, i.e. deletions, corrected errors, clarifications due to interpretation and items rewritten for readability. The list also includes those Approved Rulings altered to conform with rule changes.

In this edition of the rulebook, a significant number of approved rulings that have become somewhat dated or are unnecessary have been removed. Furthermore, the reorganisation of Rules 7 and 9 required different labelling and numbering of several existing approved rulings. These are not marked in the text nor listed here.
